TO ALL PATIENTS WHO RECEIVE LAB REQUEST/ BILL

Your physician has chosen the diagnosis code she has determined best fits your medical condition. This decision is based on her medical knowledge and not on insurance coverage. If your health plan does not cover the lab tests you have done, the lab will direct the bill to you. Our physician cannot change your diagnosis based on insurance, as this would be fraud. Should you receive a bill from the lab, please deal directly with the lab-billing department.
